SETH LEBOWITZ

slebowitz@sadis.com

New York: 212.573.8152

Seth Lebowitz is a partner in the firm's Tax group. Seth advises clients on the tax-efficient planning and execution of a broad range of transactions, with a particular focus on the formation, operation and investing activities of private equity and hedge funds. Seth has experience with:

- Domestic and international tax issues relating to fund structuring
- Joint ventures and partnerships

- Corporate and real estate investing
- Lending Securities trading
- Distressed investing
- Financial products.

Prior to joining Sadis & Goldberg, he was senior tax counsel at Akin Gump and served as assistant general counsel and later general counsel for American offices of a \$5 billion multi-strategy hedge fund manager. There, he was responsible for a full range of legal matters affecting his employer's funds and other managed vehicles and all legal matters affecting the management company. He also structured and negotiated the successful sale of his employer's fund management business to an affiliate of a publicly traded company.
